

BIOGRAPHY

UNITED STATES AIR FORCE

COLONEL JULIA C. JACKSON

Col Julia Jackson is the Commander of the 959th Medical Operations Squadron, Joint Base San Antonio – Fort Sam Houston, Texas. She provides leadership and support to 750 Air Force personnel assigned to the 425-bed San Antonio Military Medical Center, the Department of Defense's only Level 1 Trauma Center and the DOD's largest inpatient hospital. She is responsible for enabling healthcare delivery to 240,000 beneficiaries with health care services in internal medicine, medical subspecialties, operating room services, general surgery, surgical subspecialties, anesthesiology and pain medicine, obstetrics and gynecology and pediatric subspecialties producing 711,000 outpatient encounters, 12,400 admissions and 271,000 procedures annually. Her squadron supports 143 deployment positions and the Air Force's premier trauma, critical care, and surgical deployment teams. She is also board certified in general and child and adolescent psychiatry, and provides clinical support to the Mental Health Clinic at Lackland AFB, Texas.

Col Jackson earned her commission through the United States Air Force Academy (USAFA) in 1997 and is a 2001 graduate of the Uniformed Services University of the Health Sciences (USUHS). She held various leadership positions in the medical field to include AF/SG Psychiatry Consultant, Associate Psychiatry Program Director, Deputy Chief of Medical Staff, and Medical Director for both inpatient and outpatient MH Flights. She also provided clinical support to the 18th Fighter Wing, Kadena AB, Okinawa, Japan.
